WILSON SPORTING GOODS CO.

HORACE PARTRIDGE, SELLING AGENTS, 1207 WALNUT ST., PHILADELPHIA, PA.

March 27, 1939

Dear Mr and Mrs Manley.

I have ordered your additional caps and hose and trust same will reach you in due time.

I am glad you are contacting Mr Spolun at Palmyra and hope you can secure his grounds for days suitable to your League games.

During past week I learned it will be possible to secure route up's in Lebanon Paper at very little expenses and naturally this would be of considerable as Lebanon is a good baseball town and within 10 miles of Palmyra Baseball Park. If you are successful write me at once and I will see Sports Editor for you personally.

Sincerely
B.H. Roe.
